- 12/23 – 2024: Community Matters podcast, co-host with Alex Entin (former congressional candidate).
- 9/23 - Created and presented a PowerPoint Zoom presentation for PA Patriot Coalition on Exiting the Echo Chamber (requested by Sam Faddis).
- 8/23 -11/23: Door knocked for two CRSD school board campaigns.
- 2023 – present: Actively attend & speak at township supervisor meetings, Northampton Twp GOP meetings and Council Rock school board meetings.
- 7/22 - Fought against the potential BCWSA sewer sale to Aqua for \$1.1 billion dollars. Door knocked Dems, Republicans, Independents' doors & spoke at a BC Community College town hall against the sale; worked with members across our own Republican "aisle"; spoke at a commissioners' meeting against this; at a town hall in Warrington, I debated John Cordisco, former head of Dem party in BC and sitting chair of BCWSA. We got the sale stopped...for now.
- 6/22 - Organized Flag Day/Election Integrity Rally (3 rally locations that day - all successful) for the Lower Bucks area.
- 12/21-5/22: Campaign Manager, Alex Entin for Congress. Knocked thousands of doors. Created pop-up rallies. Got petition signatures. Organized events. Wrote speeches, edited.
- 9/21-11/21: Supported Mike Roosevelt's CRSD SB campaign by researching his opponent and created a comparison chart that I brought around and used as a tool in door knocking our district. Edited campaign materials. Mike won his seat.
